It is an honor to celebrate 35 years of serving our community with exceptional cultural experiences. Actors’ Playhouse is proud to be the largest professional theatre company in our community for adults and children, a Florida Presenting Cultural Institution, and one of 13 Miami-Dade County major cultural institutions. We thank the community, our supportive donors and patrons, and the individuals who have dedicated themselves to our company throughout this journey. Your applause will drive our success for generations to come.

It is all happening at the Miracle Theatre during our 35th Anniversary Celebration! We invite you to join us in this milestone celebratory year by becoming a subscriber member of our organization and have the advantage of enjoying the many other exciting events planned for the season.

Inspired by a true story and featuring the Tony®-nominated score by Steve Martin and Edie Brickell, Broadway’s Bright Star tells a sweeping tale of love and redemption set against the rich backdrop of the American South in the 1920s and 40s. With beautiful melodies and powerfully moving characters, the story unfolds as a rich tapestry of deep emotion. An uplifting theatrical journey that holds you tightly in its grasp, Bright Star is as refreshingly genuine as it is daringly hopeful.

Defending the Cavewoman
BY EMMA PEIRSON

Whose cave is it anyway? A raucous mid-life existential crisis unfolds as Defending the Cavewoman digs deep into the caves of the female psyche and sends the male of the species scattering in all directions, by debunking the stereotypical myths about how women think. Written by Emma Peirson, Defending the Cavewoman is a tongue-in-cheek, affectionate look at the quirks, foibles and idiosyncrasies of both men and women, from the modern Female perspective. Don’t miss the North American premiere of this wild one-woman comedy about two completely different creatures desperately trying to co-exist on one tiny plant...sharing one bathroom!
